

## Applications

TECHNOL BRONZE 20W50 Suitable for previous generation used in both gasoline and diesel engines (passenger cars and light industrial vehicles).

TECHNOL BRONZE 20W50 Adapted to vehicles equipped with catalysts and using unleaded fuel  
TECHNOL BRONZE 20W50 can be used for all journey types (in towns, as well as on major roads and motorways), and is especially suitable for the most demanding service conditions.

## Customer Benefits

- The outstanding thermal stability and resistance to oxidation of this oil prevent any degradation, even in extreme usage conditions.
- Exceptional anti-wear and anticorrosion properties
- This oil contains detergent and dispersive additives that keep the engine clean and thus preserve its power

## Approvals
