

Application

TECHNOL SILVER 20W-50 is a heavy-duty engine oil for both gasoline and diesel engines. Suitable for passenger cars, light industrial vehicles, especially turbocharged engines.

TECHNOL SILVER 20W-50 engine oil is perfectly adapted for engines with catalytic neutralizers and all types of engines using unleaded fuel.

TECHNOL SILVER 20W-50 can be used in all seasons, in all operating conditions (urban roads, ordinary roads and highways).

Properties

- **Manufacturers' Standards:** **TECHNOL SILVER 20W-50** meets the strictest manufacturers' requirements (above), while ensuring excellent and constant quality.
- **Oxidation resistance:** due to its strong properties against oxidation, rusting and foaming, it shows special resistance to oxidation.
- **Engine protection and cleanliness:** due to its high anti-wear and anti-corrosion properties, it ensures proper engine cleanliness.
- **Viscosity:** **TECHNOL SILVER 20W-50** has a high viscosity index and excellent viscosity stability.
